## LOCAL MANUFACTURERS TO BID FOR MACHINES

Chamber of Progress Receives Letter From Linotype Firm of Chicago.

Local manufacturing concerns have a chance to bid for the construction of a linotype machine, according to a communication from the Brown Barotype Co. of Chicago, which was read at a meeting of the Chamber of Progress Thursday night. The Chicago concern is swamped with orders and desires to place the making of the machines with some reliable concern here. Prices and specifications for the machines can be had by notifying the Chamber of Progress, which has been instructed to handle the local end of the matter. M. S. Clifford of Chicago, a dealer in waste paper, was present at the meeting and stated that he was looking for a location for an office and warehouse for the storing of this paper, which has risen considerably in price since the first of the year. He urged that Mishawaka save all waste paper as they can sell it for 60c per 100 pounds. A circular from the government was also read in which the saving of waste material was strongly advocated as this country is suffering from the want of paper at the present time. A special committee was appointed to consider a communication from the Woman's club, in which they urged cooperation from the Chamber of Progress and the citizens in

conducting a "city beautiful" campaign.

Members enjoyed a smoker and speeches following the business session.

## LITTLE GIRL STRUCK BY AUTO BADLY HURT

Lucile Morris, nine years old, little daughter of Melvin Morris, 517 S. Short st., was struck by an automobile Thursday afternoon about 4 o'clock while crossing E. Joseph st. and received painful but not serious injuries. The automobile was driven by the young son of W. M. Walters, a grocer on E. Joseph st. According to reports current Thursday, the little girl went to cross the street and did not see the machine, a roadster, which bore down upon her. She was struck and thrown to one side, sustaining a scalp wound and a sprained knee. She was taken to the office of Dr. B. J. Wyland, where her wounds were dressed, and was later taken to her home.

Residents along E. Joseph st. have been complaining lately of speeding automobiles on this street, but no action has been taken toward stopping it.

## THIMBLE ENTERTAINED.

Mrs. Guy Thompson, 567 W. Lawrence st., entertained the Pochontas ladies at a thimble Thursday afternoon. The time was spent in fancy-work and crocheting. Music and contests were also enjoyed. Mrs. Fawn Finch was awarded the prize in the Easter contest. A delicious luncheon was enjoyed. The circle will again meet in two weeks.

Music for the occasion was in charge of the Sunday school department and was under the direction of B. G. Buchanan and T. B. McDonough, with Claude Moran assisting on the violin.

The intermediate department contributed a pleasing feature in a tenor and baritone duet sung by B. G. Buchanan and G. A. Maurer. Miss Aline McQuillen accompanied the singers at the pipe organ.

## KOKOMO MAN SAYS WORDS FAIL HIM

R. M. Hankins Asserts He is Unable to Speak Full Gratitude For Tanlac.

Kokomo, Ind., April 20.—"Yes, sir, Tanlac has helped me in every way and I am only too glad to tell others about it," said R. M. Hankins, a well known farmer, who lives on Rural Route No. 12, Kokomo, when asked if he was pleased with the new medicine.

"I believe I got more good out of my first bottle of Tanlac than I have out of all other medicines—and they are many—that I have taken recently. That's why I'm back for my second bottle."

"I suffered from rheumatism and eczema and was in a run down condition. My food didn't agree with me and I was constipated. Tanlac helped me from the first doses. In a few days I noticed a wonderful improvement. Now, the constipation has been relieved, my blood has been purified, driving the rheumatism and eczema from my system, and altogether, I feel like a new man. There's nothing I could say that would fully express my gratitude."

Thousands of Indiana people are now taking Tanlac with most beneficial results. Tanlac is excellent for rebuilding run down systems following attacks of pneumonia, la grippe, and the like and is especially beneficial for stomach, liver and kidney troubles, rheumatism, catarrhal complaints and the like. Tanlac is now sold exclusively in Mishawaka at the Mishawaka Pharmacy.—Advt.
